

Human

10

Cast

Humans appear on almost every side in the war annals of the stormlands. They are numerous and form the backbone of society. They build stuff.

Vermite

10

Cast

When Vermites slipped onto the world is unknown. They live on the edge of society, distrusted. They are virtually ignored by most people.

Orc

14

Cast

A native race. They are noted in history as far back as history goes. A resilient race with a soft spot for dragons and all shifters. Renegade Orcs battle all shifters.

Wakana

14

Cast, Warpspawn

Wakana are nasty wolfish creatures who work with the Pylos and their allies. They hate Werewolves and have problems with the Canid.
